SUMMARY

Junior Developer with hands-on experience in web and software development, aspiring to leverage my skills in JavaScript, React, Python,Flask, HTML and CSS to contribute to innovative projects and software solutions.

SKILLS

- **Languages & Frameworks**: JavaScript, React, Python, HTML, CSS, Flask.
- **Data Analysis.**
- **Project Management.**

PROJECTS

Patient-Doctor Management System
https://github.com/justinmwathi/patient_doctor-project
A comprehensive system for managing patient and doctor information, facilitating appointment scheduling, medical records, and communication between doctors and patients.

Tiketi-Tamasha
https://github.com/JohnMutemi/tiketiTamasha_FrontEnd
An event ticketing platform that allows users to browse upcoming events, purchase tickets, and manage bookings seamlessly through an intuitive front-end interface.

Blog Application
https://github.com/JohnMutemi/Group_2-project_Blog_Post
A web-based blogging platform where users can create, edit, and manage blog posts. It features user authentication, post categorization, and commenting capabilities to enhance user interaction.

Scholar – Solutions
https://github.com/JohnMutemi/sharpQuill_frontEnd
A platform to facilitate professional writing services tailored to meet client's needs. From essays, projects to dissertations

CLI – Banking System
https://github.com/JohnMutemi/revised_banking_cli
This application simulates a basic ATM system using a Command Line Interface (CLI). It allows users to create an account, login, deposit, withdraw, view balance, pay bills, and delete accounts.

EXPERIENCE

Intern | MegaNet Technologies

July 2022 – October 2022 | Kitengela

- Assisted in managing systems for the company, ensuring smooth operations by regularly checking system configurations and performing routine maintenance.
- Supported the technical team in troubleshooting network issues and optimizing system performance for better efficiency.

EDUCATION

Moringa School | Software Engineering - 2024

Certificate

University of Kabianga| Bachelor of Science in Computer Science - 2022

Second class upper division

Kitui High School| Form-Four Certificate - 2015
